Ahmed on Social Media

Profile

Ahmed Al-Sufi is responsible for on-the-ground direct communication with the various Ministries and authorities in Qatar. He advises clients on governmental procedures relating to commercial incorporation, franchising and labor regulations, in addition to assisting with litigation matters before the Qatar Courts.

His diligence in following up with Ministerial legal and regulatory updates, as well as with clients' cases, has helped in ensuring a constant flow of updated information and status reports to our team of lawyers and advisors.

Experience

- Advising a leading bank on their litigation portfolio.
- Advising and representing a telecommunications operator in its litigation portfolio.
- Advising a leading news network in relation to their litigation cases.

Affiliation

- Egypt Lawyers Association, Member.
